

Automated cover for power wheelchair users.

2.009 Purple Team - Fall 2016
dryve.io

INSPIRATION

DRYVE aims to empower wheelchair users, allowing them to independently face an obstacle that most of us take for granted: the weather.

INSPIRATION

DRYVE aims to empower wheelchair users, allowing them to independently face an obstacle that most of us take for granted: the weather.

INSPIRATION

DRYVE aims to empower wheelchair users, allowing them to independently face an obstacle that most of us take for granted: the weather.

Features

LEAD SCREW

The lead screw does some important stuff that makes the thing go out really quickly and provide speedy weather protection.

01.

Ripstop Nylon

The canopy is made of material typical of umbrellas - it is sturdy, waterproof, and able to withstand the elements.

02.
